

National Seminar on  
**Testing (Radiometry/Photometry) of LED/SSL Devices & Standards**

**Organised by**

MIT Lighting Research Academy, Pune, India  
Labsphere, North Sutton, USA

**Supported by**

Indian Society of Lighting Engineers (ISLE) - Pune Local Centre  
Advanced Photonics, Mumbai

**Tuesday, 04 Jan, 2011 : 1000 - 1800 Hrs.**

**Venue : SOG Hall, MIT Campus, Kothrud, Pune (India)**

**Speakers & Topics\***

1. Mr.S.Chakraborty : Vice President (Technology), Surya Roshni Ltd., New Delhi  
**Key Note Address on the Present Scenario on LED**
2. Dr H.C.Kandpal : Scientist 'G', Head Optical Standards Dn., National Physical Laboratory, New Delhi : **Photometry and Radiometry**
3. Mr. Vikrant Mahajan : Applications Engineering Manager, Labsphere Inc., USA  
**LED/SSL Lighting : Current Industry Standards and instrumentation**
4. Mr.Ajay Goel : CEO, Goldwyn LED, Noida  
**Testing & Evaluation of LEDs / SSLs**
5. Dr. Madhusudan Joshi : Senior Project Engineer, International Centre for Automotive Technology (ICAT), Gurgaon  
**Automotive Lighting : SSL/LED - Current Trends and Standards**

---

\* **Although planned, but may change only in extreme cases**

---

**REGISTRATION :** Rs.1,000/- For ISLE Life Members # Rs.1,500/- For Others  
(Non refundable) Rs. 500/- For Students

---

**PAYMENT :** By DD / At par Cheque in favour of ISLE and payable at Pune

---

**Convener :** Dr.Prakash Barjatia, Chairman, ISLE:MSC / Director, MITLRA  
09850630326/ 09370144389 / dr.prakash.b@hotmail.com

---

**Contact :** Ms. Jyoti Gore, MITSOT Bldg, 3rd Floor, Exam. Deptt., MIT Campus, Kothrud,  
**PUNE – 411037** Tel : 020-30273545 / Mob : 09420729182 / E-mail : jyoti@mitsot.com
